Clay Paver Series

# Classic Clay Paver Series

Autumn Red

## Traditional Victorian favourites!

For more than 20 years Austral Bricks Classic Series clay pavers have graced homes across our state and around Australia. Their design flexibility – ask about the wide range of patterns that are possible – combines with rich colours and textures to create attractive and durable paths, courtyards and driveways.

Choose a single colour or add a distinctive touch with edges, bands or panels in a contrasting colour. Whatever your choice and whatever the setting, our Classic Series clay pavers will give the good looks and performance you demand.
